

METHOD STATEMENT & COMMITMENT

SB Security Solutions Limited place a great deal of trust in the performance of our Management and Employees, who are charged with the security and protection of our client's property, personnel and services.

It is their duty to deliver the service in a quality controlled and qualified manner; whilst ensuring compliance with all relevant Legislation, Regulations and Codes of Practice.

Each event or site will have a Security Management Plan or Assignment Instructions, which will include details of:

- a. Roles & Responsibilities
- b. Specific Tasking
- c. Threat levels
- d. Training Requirements
- e. Involvement with other Agencies
- f. Health & Safety Requirements
- g. Response to Emergencies
- h. Admissions Policy & Premises Regulations
- i. Venue or Site Drugs Policy
- j. Procedures for the Safety of Vulnerable People

The trust given to all of us, is not lightly awarded by our clients and it is of prime importance that all duties are undertaken in a calm, professional and skilled manner with due diligence accorded to their wishes and instructions.

By working in partnership, we can continually maintain and improve the high standards of service which we are dedicated to providing.

SB Security Solutions maintain a high standard of training for all our staff, including onsite training and a comprehensive continuation programme.

We ensure all staff partake in thorough training, approved by and in consultation with the Government SIA (Security Industry Authority). Regular Management meetings with Supervisors and Employees ensure feedback is collected and actioned where practicable.

With the understanding and commitment from all our employees, SB Security Solutions Ltd is confident in our ability to support our current and future clients, thereby securing employment for all our futures.
